2 Pavilions, 12 Amazing Startups

NAMIC is pleased to announce the extension of its startup showcase at the 2018 NAMIC Global Additive Manufacturing Summit from one to two pavilions, housing 12 of the most promising local and international startup businesses which have harnessed the potential of AM technology.

From footwear to dentistry to food - meet the innovators who made it happen and experience their offerings at **the Singapore Expo on 17 & 18 October.**

Featured Startups

Katjes Magic Candy Factory

Katjes Magic Candy Factory is a technology startup based in Birmingham, England which has developed the first 3D printer for a food product to reach the

consumer market.
