The banner features the NAMIC logo (National Additive Manufacturing Innovation Cluster) with an 'SG' icon. A red diamond contains the text 'Singapore AM Week 11 - 15 May 2020'. The main title 'NAMIC AM SUMMIT' is in large red letters, followed by the subtitle 'A Week of Discovery, Innovation, Engagement & Inspiration'. Logos for supporting organizations (National Research Foundation, NTU, Prime Minister's Office) and strategic partners (Hannover Messe, Industrial Transformation Asia-Pacific) are shown, along with the 'Held In' location (Singapore) and the slogan 'Passion Made Possible'.

Join us at the NAMIC AM Summit from **11-15 May 2020**
Marina Bay Sands EXPO and Convention Centre

AM WEEK IN SINGAPORE

Summit Highlights

1. Workshops and Certification Courses
2. AM Conference
3. AM Industry Showcase
4. AM Ecosystem Industry Visits
5. Startup Innovation Forum

Held over a week from 11-15 May 2020, the **NAMIC AM Summit 2020** will be engaging and inspiring.

Presenting a variety of activities and programmes with the NAMIC Conference anchoring the summit, this will be a unique experience for global 3D printing experts, adopters, innovators and professionals to interact for knowledge sharing and discussions on the latest 3D printing innovations, designs and process development as well as wide-spread industrial adoption.

Overview of 5-Day Summit

Workshops and Certification Courses

More than 6 hands-on workshops and certification courses will be curated for the Summit week by Altair, ASTM, Autodesk, Dassault Systems, Materialise and Siemens, TÜV SÜD, UL and others.

AM Conference

Featuring thought-leaders from the global AM community, the conference will be hosting over 1000 local and international delegates, as well as industry leaders such as Altair, ASTM, Autodesk, Materialise, Siemens, TÜV SÜD and more.

"High caliber of experts & content in the AM industry"

Lior Polak, CEO & Co-founder, Assembox Ltd

NAMIC AM Summit, May 2019

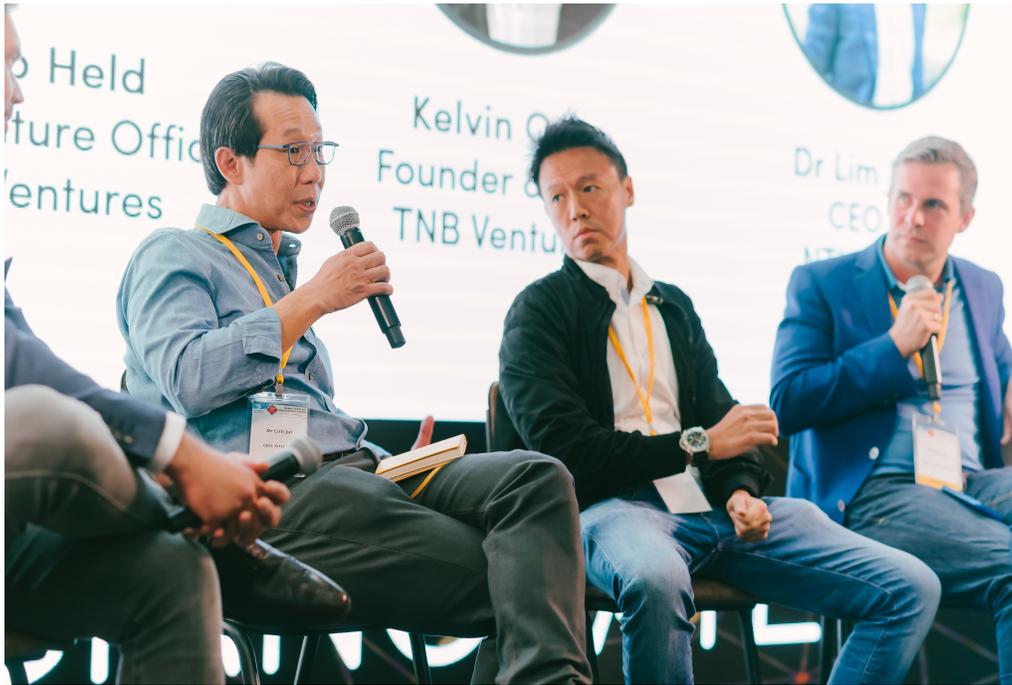

AM Industry Showcase

More than 40 promising local and international organizations will be presenting their AM solutions and offerings during the industry showcase.

AM Ecosystem Industry Visits

Summit delegates will be invited and given special access to experience what goes on behind the scenes at various state-of-the-art AM facilities.

Start-up Innovation Forum

More than 10 Innovative Start-ups will be shortlisted to pitch their ideas and solutions at the NAMIC Start-up Innovation Forum held at [SGInnovate](#) on 15 May. Top entries will stand to receive guidance and mentorship from the jury to scale up their ideas and businesses.

"You bring together the right ecosystem"

Herman van Bolhuis, CEO 3D Makers Zone
