- SITE FEATURES -

**COMPREHENSIVE LISTINGS**

Over 70 enterprises and institutes featured.

**INTERACTIVE PLATFORM**

A platform for network and business match-making.

**GUIDELINES AND STANDARDS**

Regulations and guidelines are available for reference.

**COVID-19 RELATED INITIATIVES**

Singapore's AM community has been active in supporting the needs of the larger community in its fight against COVID-19. We feature the efforts by Siege AM, a Singapore startup in this edition.

**Face Shields for Frontline Workers**

Read about their efforts at the following resources:

**["These 2 S'porean youth produce & donate 3D-printed face shields to hospitals from their own printing startup" - Mothership \(2020, April 10\)](#)**

**["3D Printing and COVID-19" - 3dprint.com \(2020, April 13\)](#)**

**AM Ear Guard Project**

Enabling comfortable connection between ear loops of face masks. [Read more...](#)
