UPCOMING NAMIC EVENTS

As we usher in the new year in 2021, keep your eyes peeled as we have an exciting year lined up for you! Stay tuned to an engaging virtual experience through our specially curated AM expert series!

NAMIC VIRTUAL SUMMIT 2021

AM.SG week is taking on a brand new look! Join us as we bring you an all-encompassing experience of online engagement – including webinars, workshops and networking sessions with the global AM community.

On the back of the success of NAMIC's Global AM Summit 2020, we are delighted to introduce **NAMIC Virtual Summit 2021**, a new quarterly format where we feature global thought-leaders and groundbreaking innovators with a focus on sectors in Built Environment, Aerospace, Land Transport, Biomedical, Maritime, Marine & Offshore and Renewables.

NAMIC x SGINNOVATE WEBINAR SERIES

such as AI and Advanced Robotics together with AM, will power the growth of new industries, as well as enable on-demand business models in the foreseeable future.

AM CAREERS@SG: INFO-SHARING SESSION

This session showcased our newly launched job portal, [AM Careers@SG](#)'s features, and featured Alexander Daniels Global. Miss the session? Fret not, you can watch the recording at this [link](#).

NAMIC WEBINARS: IDENTIFYING AND MITIGATING INTELLECTUAL PROPERTIES (IP) RISKS WITHIN INDUSTRIAL 3D PRINTING

In the additive manufacturing industry, 3D modelling data is transmitted and stored in the form of digital files. As with all assets, there lies the question of copyright and ownership. Watch our expert thought leaders who are industry specialists share their knowledge on intellectual property and 3D printing.
