## NAMIC Virtual Summit 2021: Innovating for Built Environment with Construction 3D Printing

Since 2017, our **Global AM Summit Series** has featured more than 150 global thought-leaders, who have made significant contributions in the field of Additive Manufacturing in their respective industries.

NAMIC is proud to present our 10th summit of the series. Drawing on keynote speaker, **Mr Kelvin Wong, CEO of [Building and Construction Authority](#)** and leading experts from [Mighty Buildings](#), [WOHA](#), [Witteveen+Bos](#), [Hamilton Labs](#), and [BASF Forward AM](#), our first Summit event of the year will explore how AM technology with automation is deployed to build sustainable, affordable housing for the masses.
