The banner features the NAMIC logo (National Additive Manufacturing Innovation Cluster) with an SG icon. The main title is 'GLOBAL AM SUMMIT 2019', with the subtitle 'A NAMIC AM Summit Series Event' and the website 'www.namic.sg/events'. The dates '23-24 October 2019' and location 'Singapore EXPO' are prominently displayed. The right side of the banner shows a man using VR glasses, a robotic arm, and various manufacturing components. Logos for 'Industrial Transformation ASIA-PACIFIC' and 'HANNOVER MESSE EVENT' are also present. At the bottom, it lists 'Organised By: NAMIC', 'Supported By: NATIONAL RESEARCH FOUNDATION', 'Event Partners: SingEx and Deutsche Messe', and 'Held In: SG Passion Made Possible'.

Dear Friends and Colleagues,

We are delighted to invite you to the **2019 NAMIC Global Additive Manufacturing Summit**, organised in conjunction with Industrial Transformation Asia Pacific 2019 - A Hannover Messe event, **the leading Industry 4.0 exhibition in Southeast Asia dedicated to advanced manufacturing and all of its related technologies**. The event also features the Future of Manufacturing Summit and the Standards Conference, as well as various company workshops.

The 2019 Global Additive Manufacturing Summit explores the **latest in material innovation in enabling 3D printing serial production**. Held on **23 to 24 October 2019 at the Singapore Expo**, register by 13 September to enjoy attractive early bird rates!

## CONFERENCE THEMES

---

**Focus: Material Innovation in 3D Printing**

---

Progress and  
Trends in  
AM Materials

A Key Enabler  
of Sustainable  
Manufacturing

Enabling 3D  
Printing Advancement  
in Industrial Applications

Material Innovation  
in the  
Consumer Space

## AM for Sustainable Serial Production: A Concern for Companies of All Sizes

Whether you're an MNC, SME or startup, the way we make, dispose and recycle needs to change. Find out how AM technologies can preserve the planet by enabling biodegradability, less material use and less scrap in inventories.

### KEYNOTE SPEECH

**Keynote Speaker**

**Ric Fulop, CEO of Desktop Metal**

Global Perspective: State of the Industry

*"Desktop Metal is one of the companies that could truly change the face of additive manufacturing, taking over industrial mass production."*

- 3D Printing Media Network

[Download the latest copy of the e-Brochure.](#)

## SUMMIT HIGHLIGHTS

### Community The Global 3DP Hub

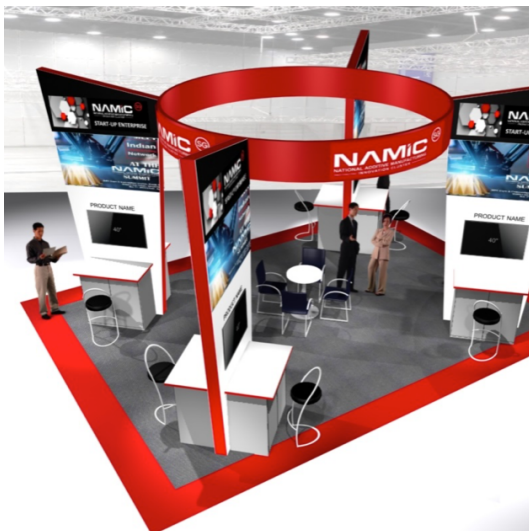

Chat over lunch and **exchange insights with movers and shakers of the industry from over 30 different countries**, including 3D Printing Industry, 3DPrint.com, Additive Industries, BASF 3D Printing Solutions, Desktop Metal, Evonik Germany, Formlabs, HEISEL, Materialise, Mini Wiz, MolyWorks, PrinterPrezz, RESA, Siemens Turbomachinery AB, Stratasys, SUTD, Velo 3D, Voestalpine and more.

### Conference Unmissable Sessions

- Panel Discussion: Is Material Innovation the Key to Success for Adopting 3D Printing in Mainstream Manufacturing?
- Trashpresso – Upcycling Trash Material for Sustainable Construction
- How can Companies Integrate AM Solutions to Complement Traditional Manufacturing?
- Making 3D Printing Mainstream through Retail Manufacturing

## EXHIBITION

### Startup Pavilion The Next Unicorn?

**8 promising global AM startups from the US, Israel, Japan and Singapore** will unveil their innovations in the fields of pharmacy, 3D printing design software, digital printing, support-free 3D printing and more!

With the number of startups valued at \$1 billion growing around the world, you might just meet the next big thing at the NAMIC Startup Pavilion!

Register Now for Early Bird Rates

*"This was one of the finest AM events I have attended in recent years. The depth of speakers and the interesting facets they shared were truly knowledge gaining."*

**Maltesh Somasekharappa**  
CEO & Co-Founder, Supercraft3D
