Event Partners: SingEx Deutsche Messe

Held In: **SG** Passion Made Possible

HANNOVER MESSE ASIA-PACIFIC  
Industrial Transformation

## Just Days to the Global Additive Manufacturing Event of the Year!

Dear Friends and Colleagues,

**The 2019 NAMIC Global Additive Manufacturing Summit is just around the corner!** Don't miss the leading Industry 4.0 exhibition in the Asia Pacific dedicated to advanced manufacturing and all of its related technologies; organised in conjunction with Industrial Transformation Asia Pacific 2019 - A Hannover Messe event.

Material innovation is the focus this time. Explore the fascinating developments that this area holds for additive manufacturing on **23 to 24 October 2019 at the Singapore Expo. Register now!**

**REGISTER NOW. JOIN US AT THE SUMMIT.**

### Event Overview

## Focus: Material Innovation in 3D Printing

New materials and new ways of using existing materials are creating exciting new developments that all manufacturers should know about!

### Conference Themes

1. Progress & Trends in AM Materials

Whether you're a startup, SME or MNC, material innovation in 3D printing and its

2. The Key to Sustainable Manufacturing?

---

3. Advancing Industrial Applications through Materials

---

4. Material Innovation in the Consumer Space

applications in areas like sustainability, industrial manufacturing or consumer production are highly likely to be relevant for you and your company for the future.

**Get in the know in just 4 half-day themed sessions at the [NAMIC Global AM Summit](#) conference.**

## A Lineup of World-Class Speakers

---

**Benjamin Moey**  
Vice President  
Additive Manufacturing  
Digital Industries, Asia Pacific  
Siemens

**Benny Buller**  
Founder & CEO  
Velo3D

**Benoit Valin**  
General Manager  
Asia Pacific  
Essentium Inc

**C. O. Tham**  
Managing Director  
Voestalpine

**Chris Eonta**  
Founder & CEO  
MolyWorks  
Materials Corporation

**Glen Hinshaw**  
CEO  
RESA

**Javier G. Fernandes**  
Co-Founder  
Chitonous Pte. Ltd.

**Johan Pauwels**  
Executive Vice-President  
Materialise

**Jon Bruner**  
Director, Digital Factory  
Formlabs

**Joris Peels**  
Editor-in-Chief  
3Dprint.com

**Larry Lyons**  
VP of Product  
Desktop Metal

**Mark Beard**  
Global Director  
Process and Application  
Development, Additive Industries

**Michael Agam**  
President, Asia Pacific  
Stratays

**Michael Petch**  
Editor-in-Chief, 3D Printing  
Industry

**Shrinivas Shetty**  
Founder & CEO  
Printerprezz

**Sylvia Heisel**  
Creative Director  
HEISEL

**Sylvia Monshelmer**  
Head of Market Segment N3D  
Evonik Germany

**Tan Szué Hann**  
Managing Director  
Mini Wiz

**Ved Narayan**  
VP Asia Pacific  
Markforged

**Volker Hammes**  
Managing Director  
BASF New Business GmbH  
VP & Head of Business  
Build-up 3D-Printing Solutions

### **Benoit Valin**

General Manager, Asia Pacific, Essentium Inc.

## **Lot Size One.**

The future of consumerism, is no longer the one-size-fits-all it was once, it is increasingly moving towards becoming bespoke, exclusive and tailored to the specific needs & desires of individual customers.

### **Want to know more?**

Come [join](#) Sylvia at the NAMIC Global AM Summit 2019

---

24 October, 4.00pm

**"Future Fashion: The Modern Wearable Lifestyle"**

by Sylvia Heisel, HEISEL

## Top Reasons to Participate

---

### Community

**Global Thought Leaders  
All in One Place**

**Movers and shakers of the industry from over 30 different countries** are coming together for just two days in Singapore - one of the best cities to do business. Who's coming? 3D Printing Industry, 3DPrint.com, Additive Industries, BASF 3D Printing Solutions, Desktop Metal, Evonik Germany, Formlabs, HEISEL, Materialise, MiniWiz, MolyWorks,

### Conference

**Unmissable Sessions**

- Panel Discussion: Is Material Innovation the Key to Success for Adopting 3D Printing in Mainstream Manufacturing?
- Trashpresso – Upcycling Trash Material for Sustainable Construction
- How can Companies Integrate AM Solutions to Complement

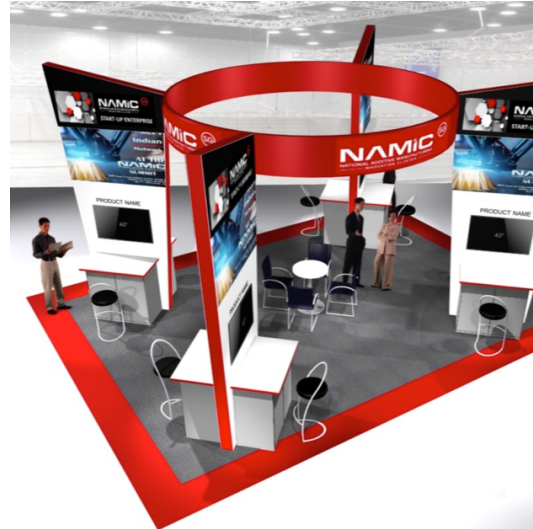

PrinterPrezz, RESA, Siemens  
Turbomachinery AB, Stratasys, SUTD,  
Velo 3D, Voestalpine and more!

- Traditional Manufacturing?
- Making 3D Printing Mainstream through Retail Manufacturing

**Networking**  
**Forge New Partnerships Over Lunch**

Float your ideas, share your concerns and explore opportunities over a bite at the NAMIC Global AM Summit. It's the perfect opportunity to **casually meet the speakers, 3D printing partners, early adopters or others in the industry just like you!** Exchange valuable tips and contacts that could raise your business to the next level.

**Startup Pavilion**  
**Newest Innovations to Watch**

**8 promising AM startups from the US, Israel, Japan and Singapore** will unveil their innovations in the fields of pharmacy, 3D printing design software, digital printing, support-free 3D printing and more! Get to know their nascent technologies, as well as the people and processes behind them. You might just meet the next big thing at the NAMIC Startup Pavilion!
